Who we are....

a professional theater, for 35 years,
in the middle of Baden's beautiful
old town.

We were able to create over 70
productions until today.

We are a place of arts.

We lead together.

Create.

We encourage,
demand and promote.

We ask and provoke.

We entertain, risk and fail.

We win.

We live.

We want...

To be steppingstone for young,
aspiring stage artists and cultural
workers, to open their professional
life of arts.

We want to continue to be a place
where people can go and be without
coercion and conventions. Young
and old should sit here and share
their true colors. In the midst of
business and groundlessness,
remain an island for stimulation and
exchange.
